BUILDING  
TECHNOLOGY  
HERITAGE  
LIBRARY

<https://archive.org/details/buildingtechnologyheritagelibrary>

From the collection of:

Mike Jackson, FAIA

We are happy to once again introduce a new collection of fine decorative hardware trim, designed especially for those who appreciate the very best.

We manufacture a variety of articles for the furniture trade and the building trade. We feel that this small folder will present to you a complete selection of hardware trim certain to please you — and your clients.

For a number of years we have been producing solid brass accessories for the home with skill and craftsmanship. We have modern facilities for the complete transformation of raw materials into finished products. Each article is guaranteed as to workmanship and quality. Also, for your special needs, we can manufacture to your specifications and execute any design.

We wish to thank all our friends who have favored us over the past years with their business. Your continued patronage has made possible a steady record of growth for our firm.

We also wish to welcome all our many new friends.

We look forward to the pleasure of serving all of you in the near future.

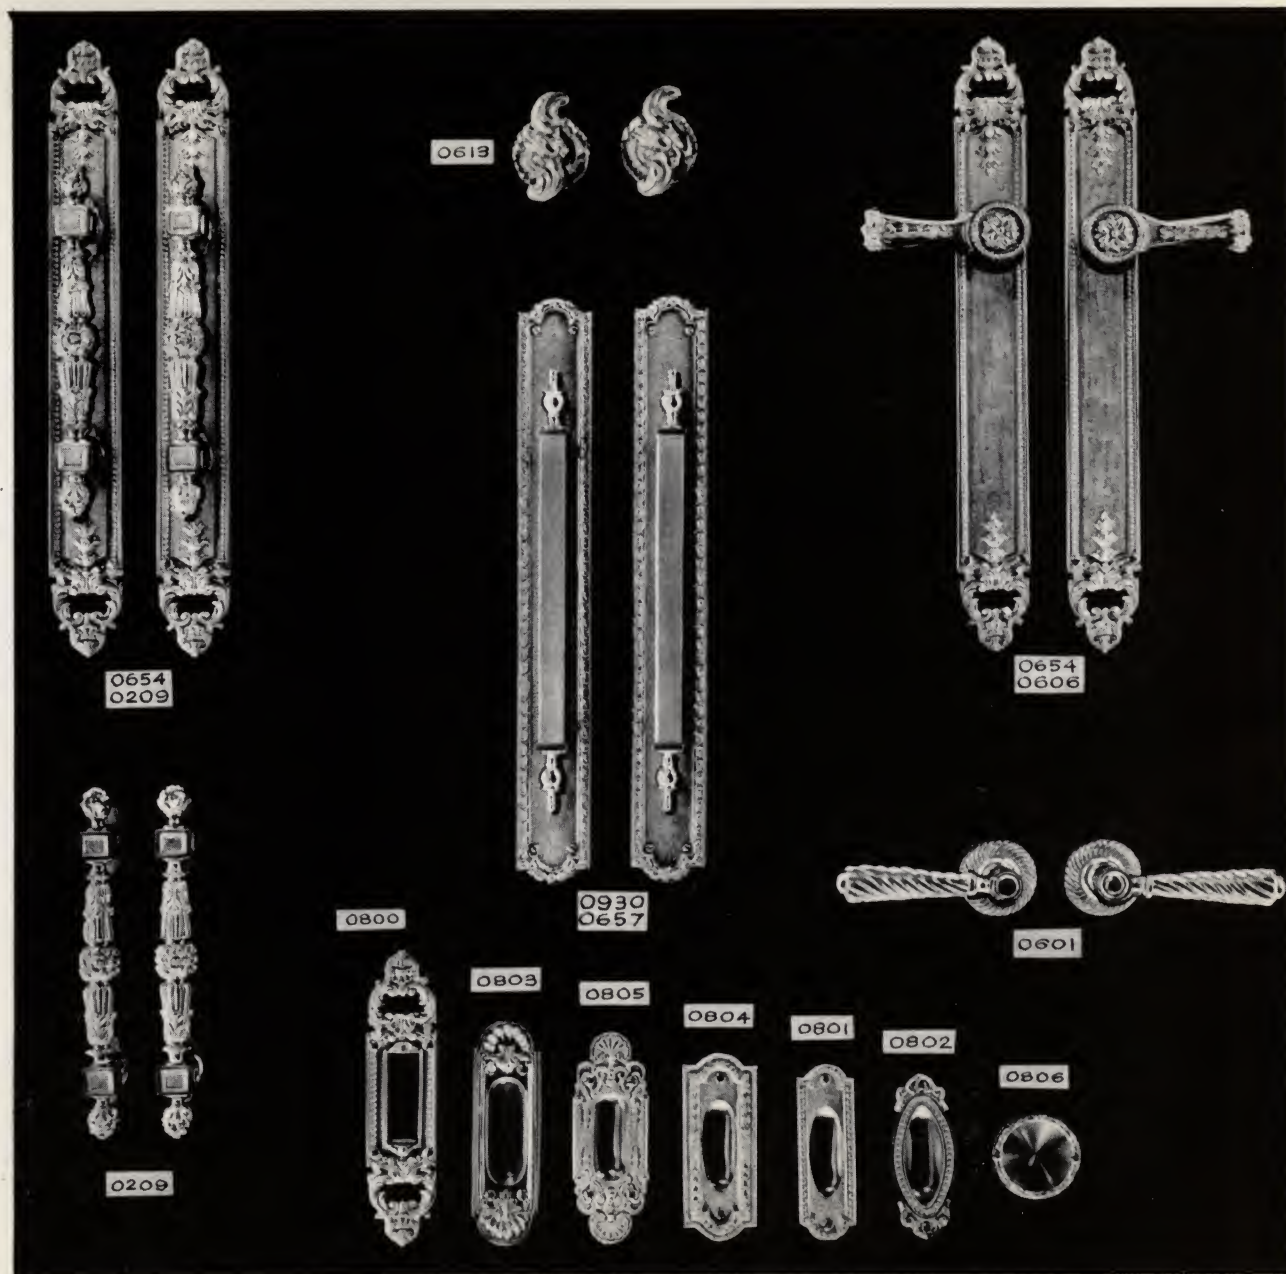

A handwritten signature in black ink, reading "H. B. Sanstieff". The signature is written in a cursive style with a large, prominent "H" and "S".

# BUILDERS' HARDWARE

The plates shown here may be used in conjunction with any lever, knob or bar pull. Combinations may be either functional or non-functional.

Numbers 0800 to 0806 inclusive are for use on sliding doors or window sash.

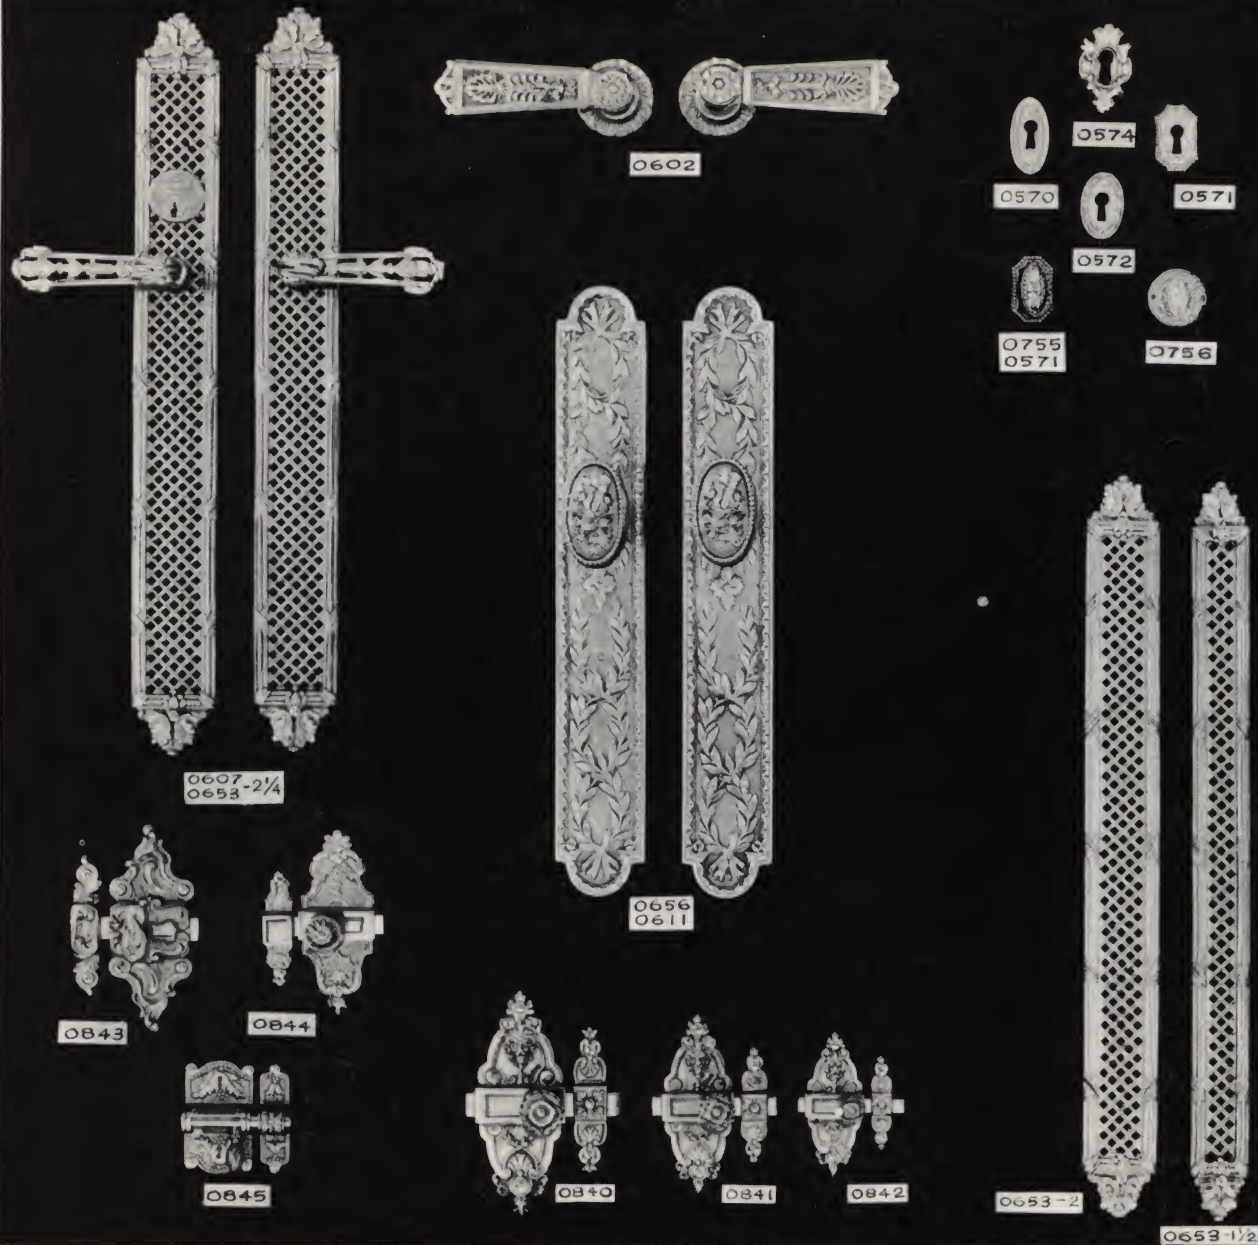

# BUILDERS' HARDWARE

The plates shown here may be used in conjunction with any lever, knob or bar pull. Combinations may be either functional or non-functional.

Numbers 0840 to 0845 inclusive are sliding bolts for use on doors, cabinets or shutters.

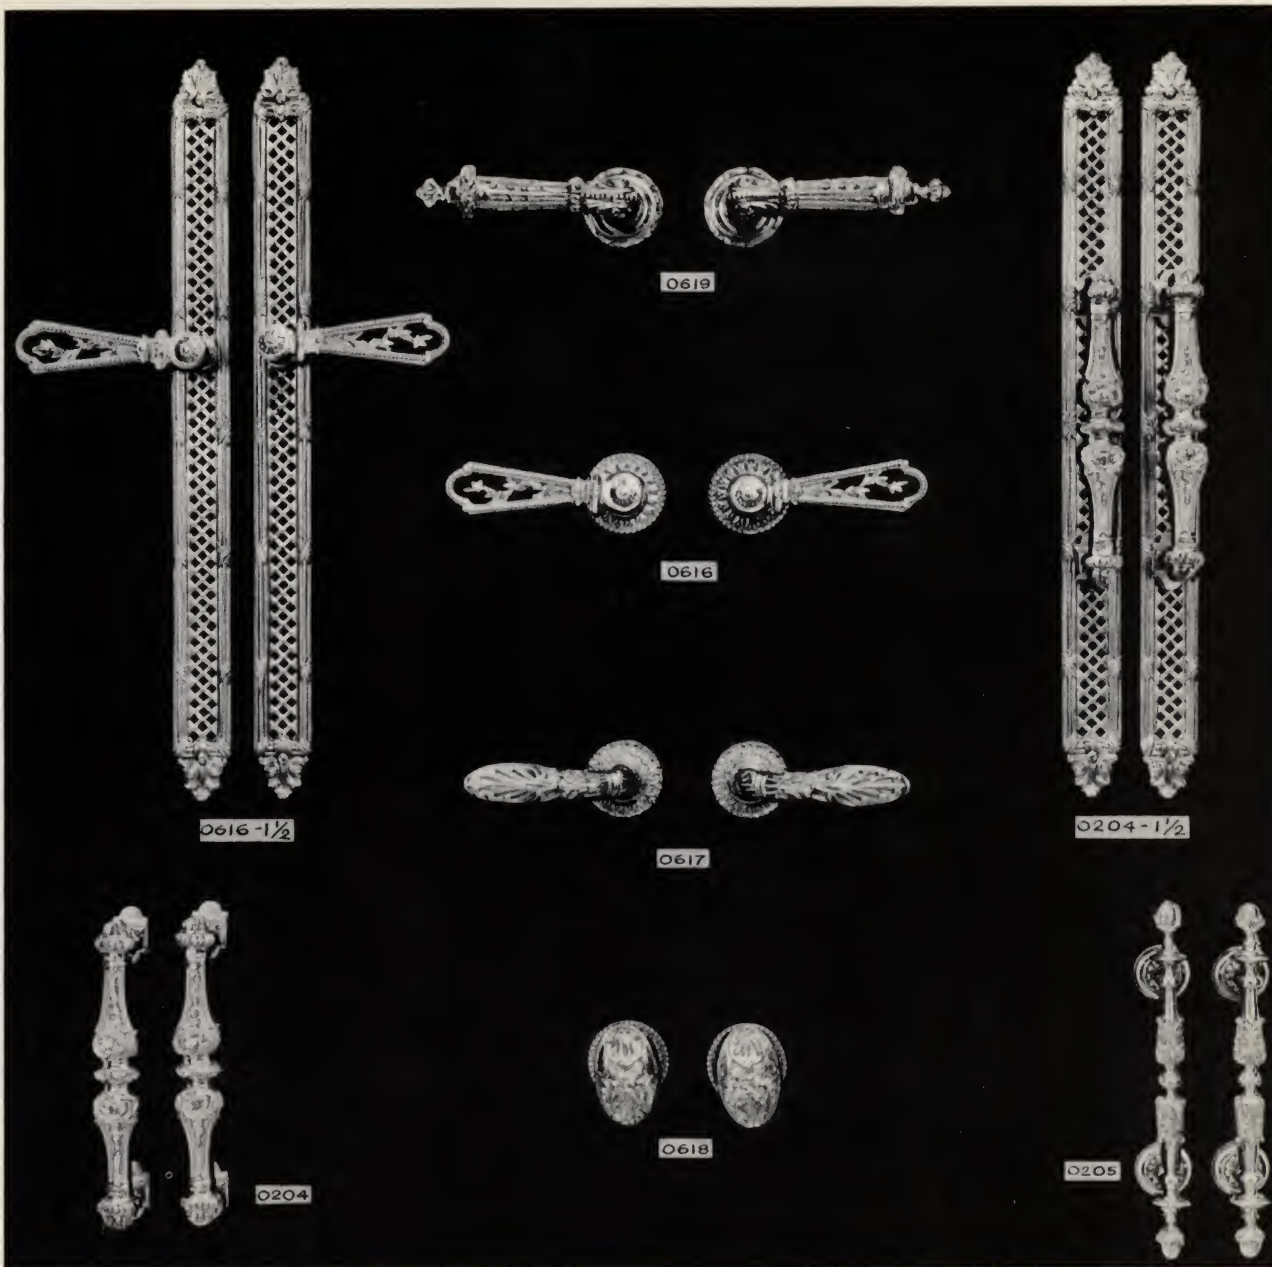

Numbers 0755 and 0756 are for use in conjunction with thumb-turn full mortise locks. These may also be used as drawer knobs.

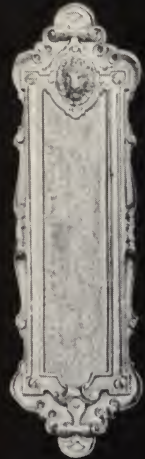

# BUILDERS' HARDWARE

The plates shown here may be used in conjunction with any lever, knob or bar pull. Combinations may be either functional or non-functional.

# SWITCH PLATES and KNOBS

Numbers 0408 and 0400 are decorative clothing hooks.

Pine cones, shown, are for use as knobs, as newel posts, and as finials for various uses such as tops of cabinets and bedposts.

# CABINET and DOOR DECOR

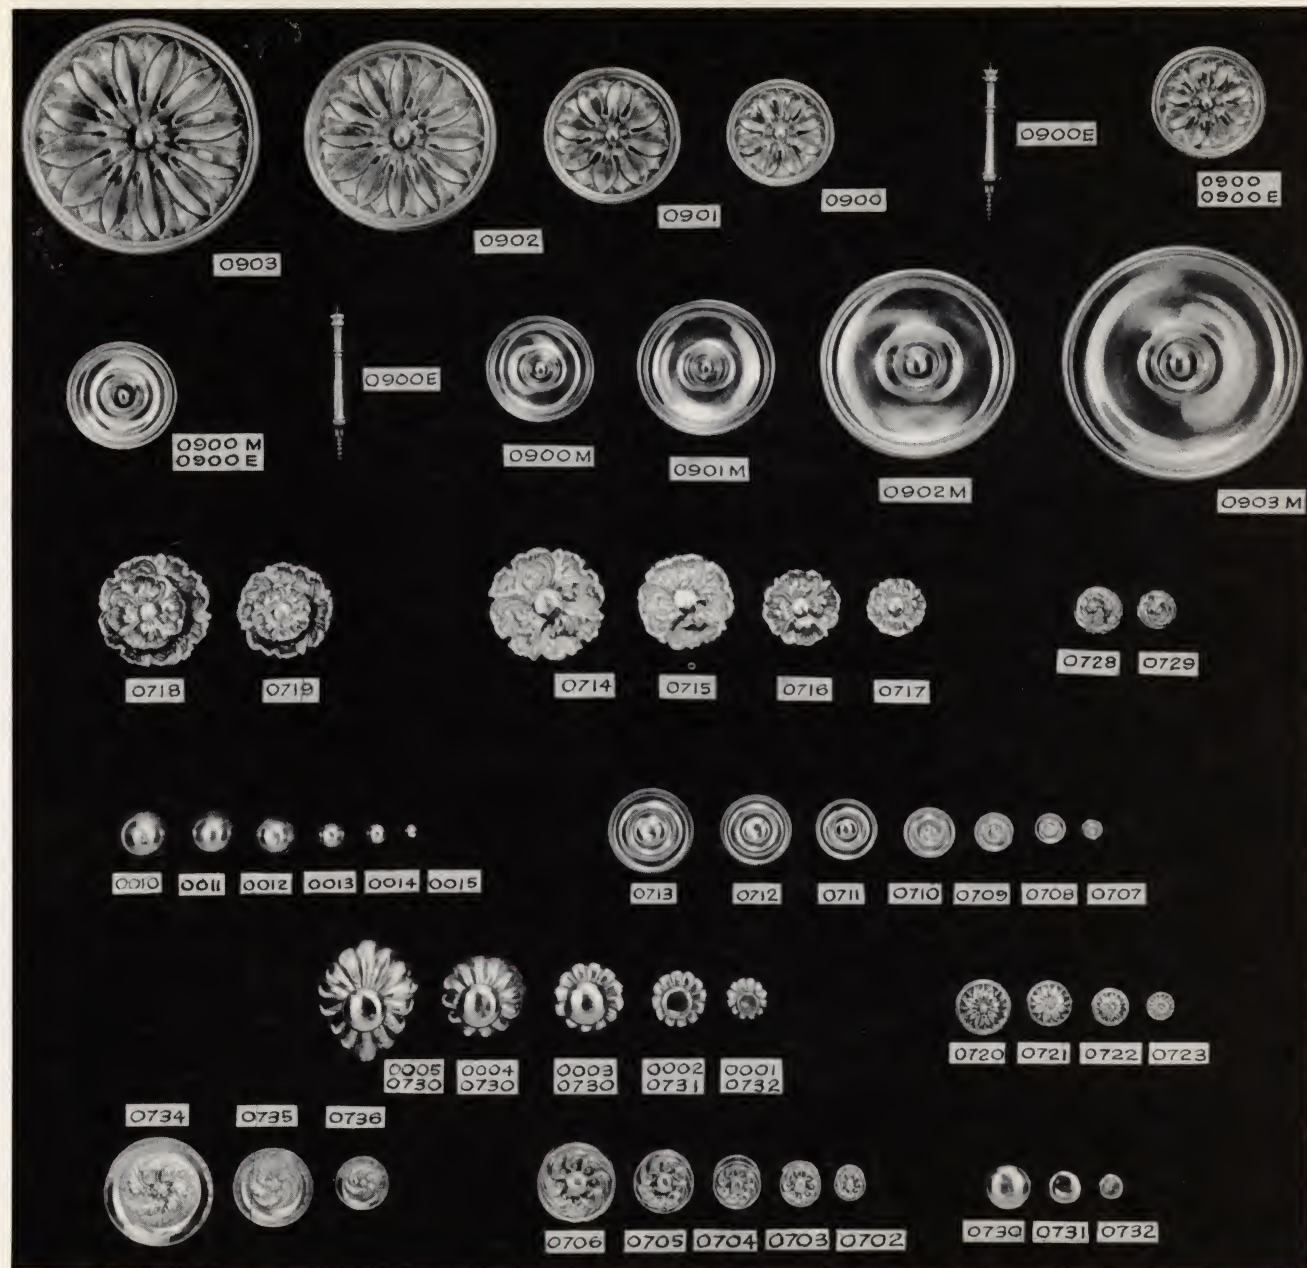

These leaves may be set in many different designs. They may be used doubly to make large displays of sprays and wreaths, and other ornamental designs.

# CABINET KNOBS

Number 0900E may be used with any large knob, pictured, as tie backs.

Numbers 0900 to 0903 inclusive and the M style may be used together as knobs and back plates.

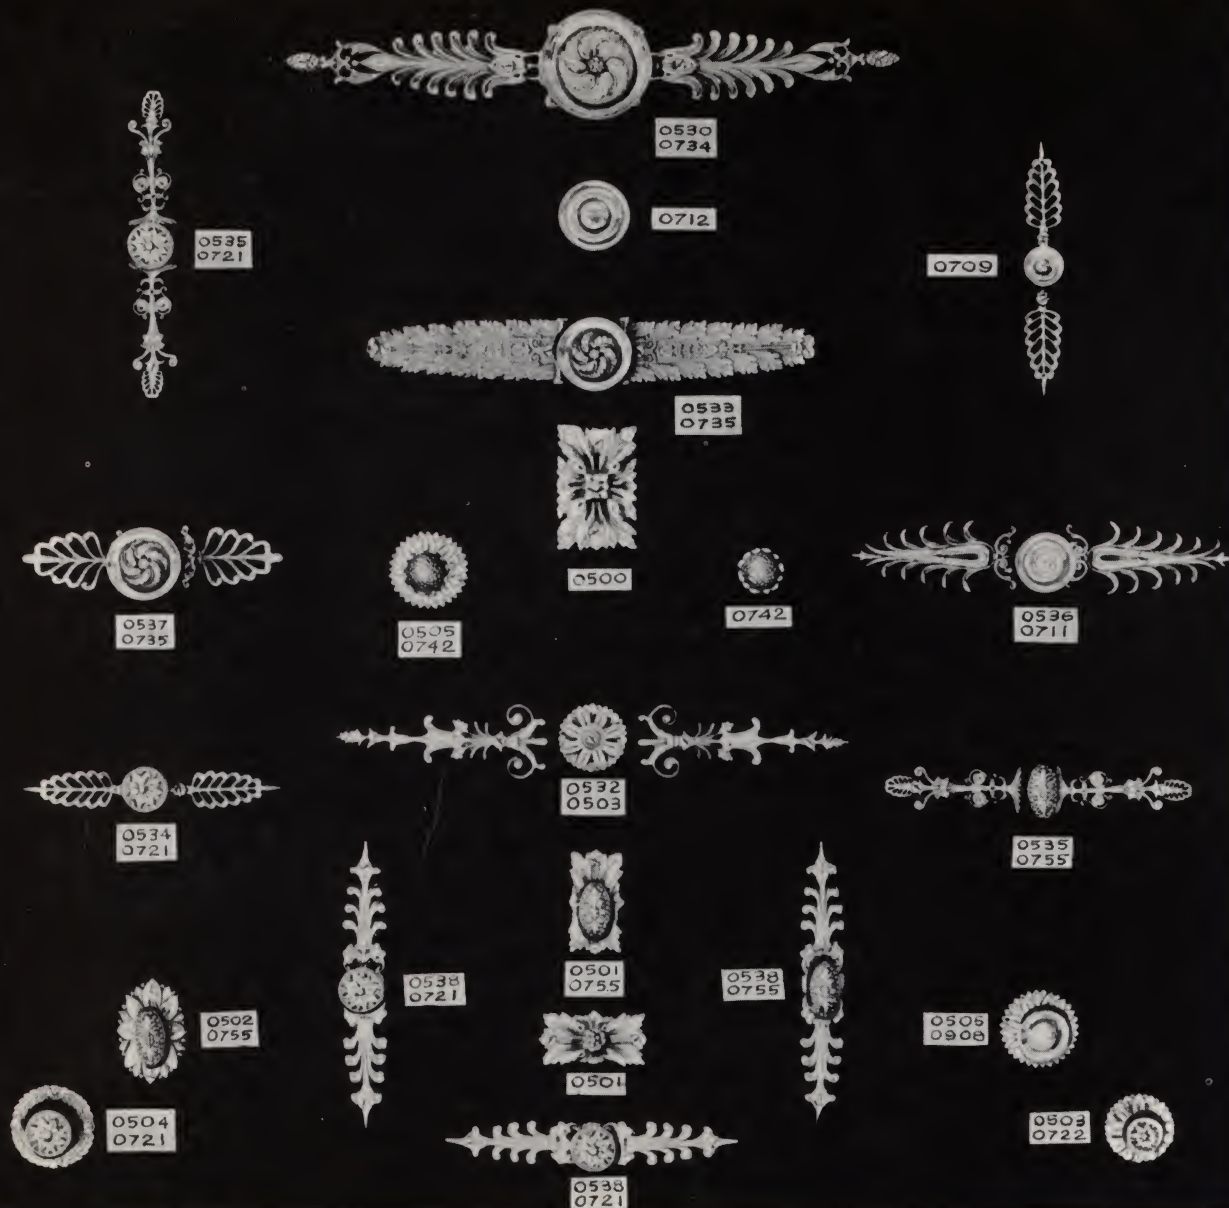

The round melon back plates shown, numbers 0001 to 0004 inclusive may also be obtained in 4" to 10" diameters. (See our price list, numbers 0006 to 0009.)

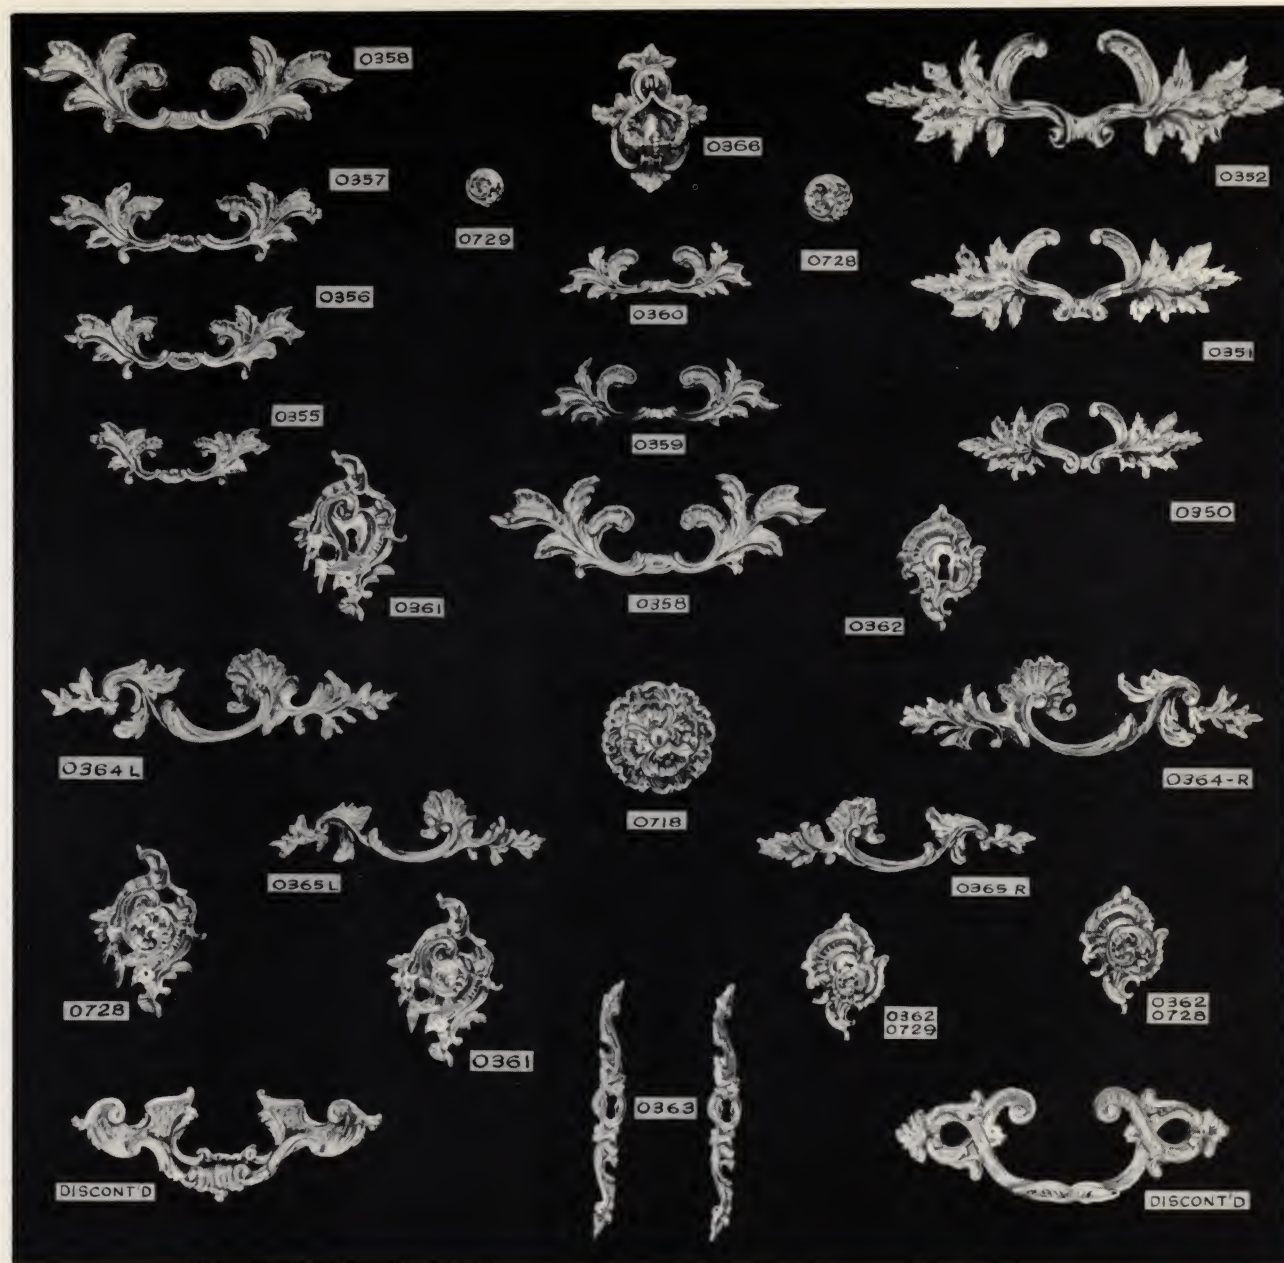

# ORNAMENTS and KNOBS

These ornaments may be used with many other knobs in addition to those displayed. They may also be used with rosettes as centerpieces on tables and cabinet furniture.

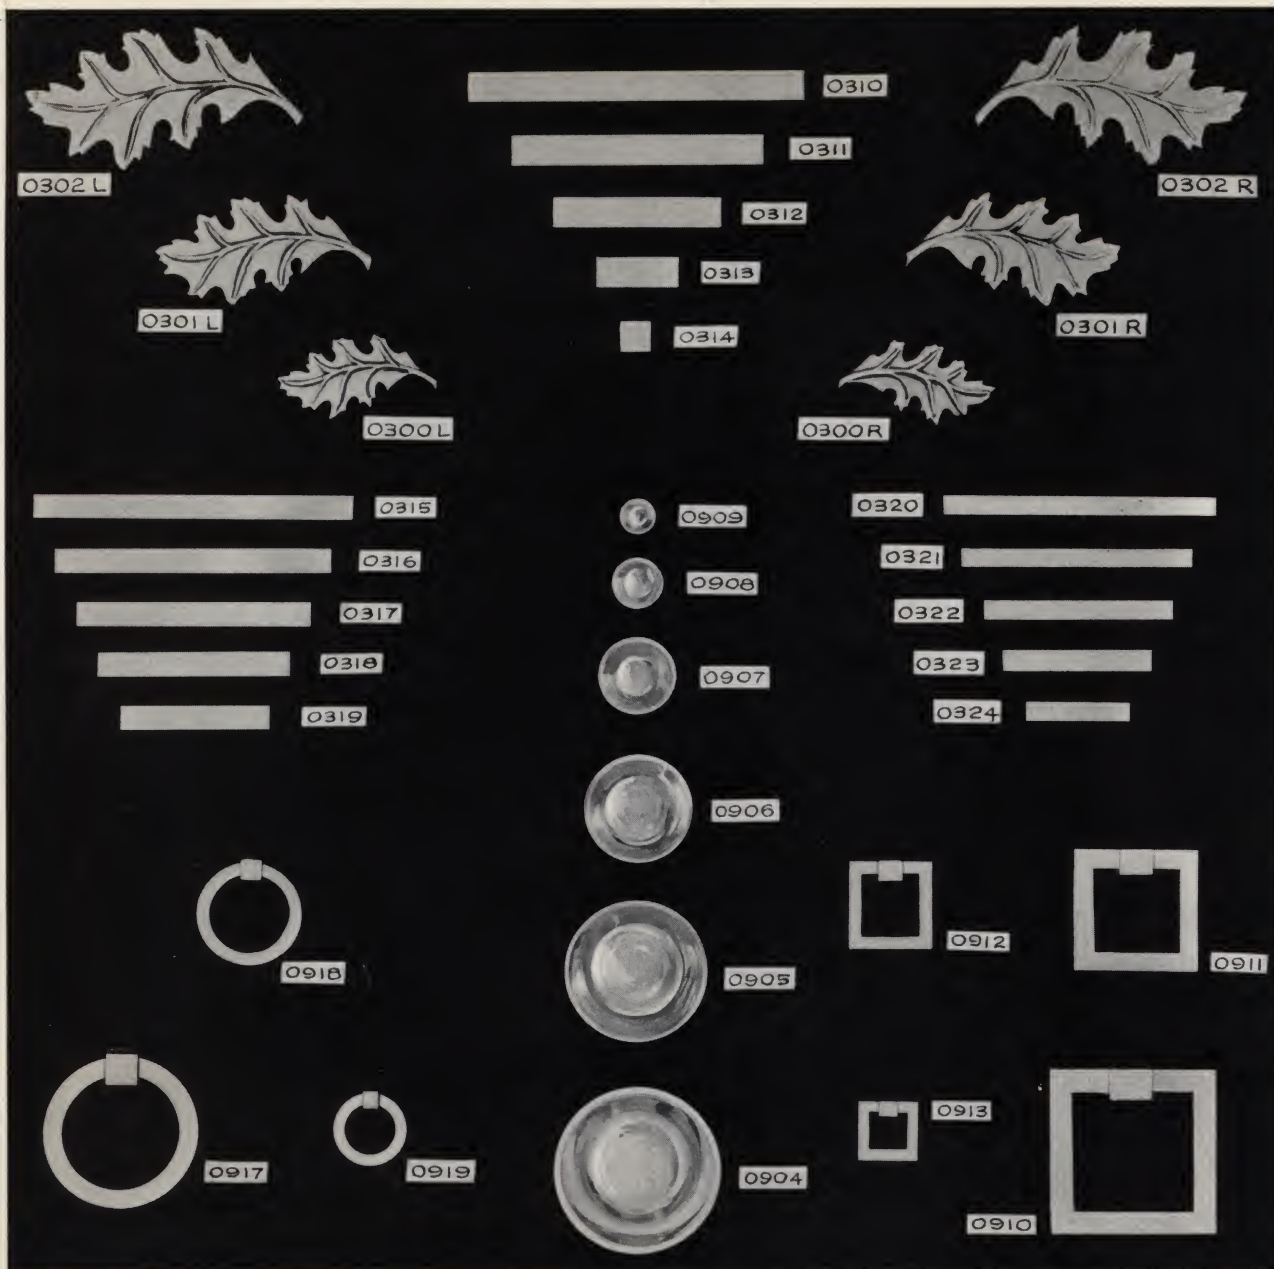

# FURNITURE HARDWARE

Number 0363 may be used with knobs  
as a back plate on doors or narrow  
drawers.

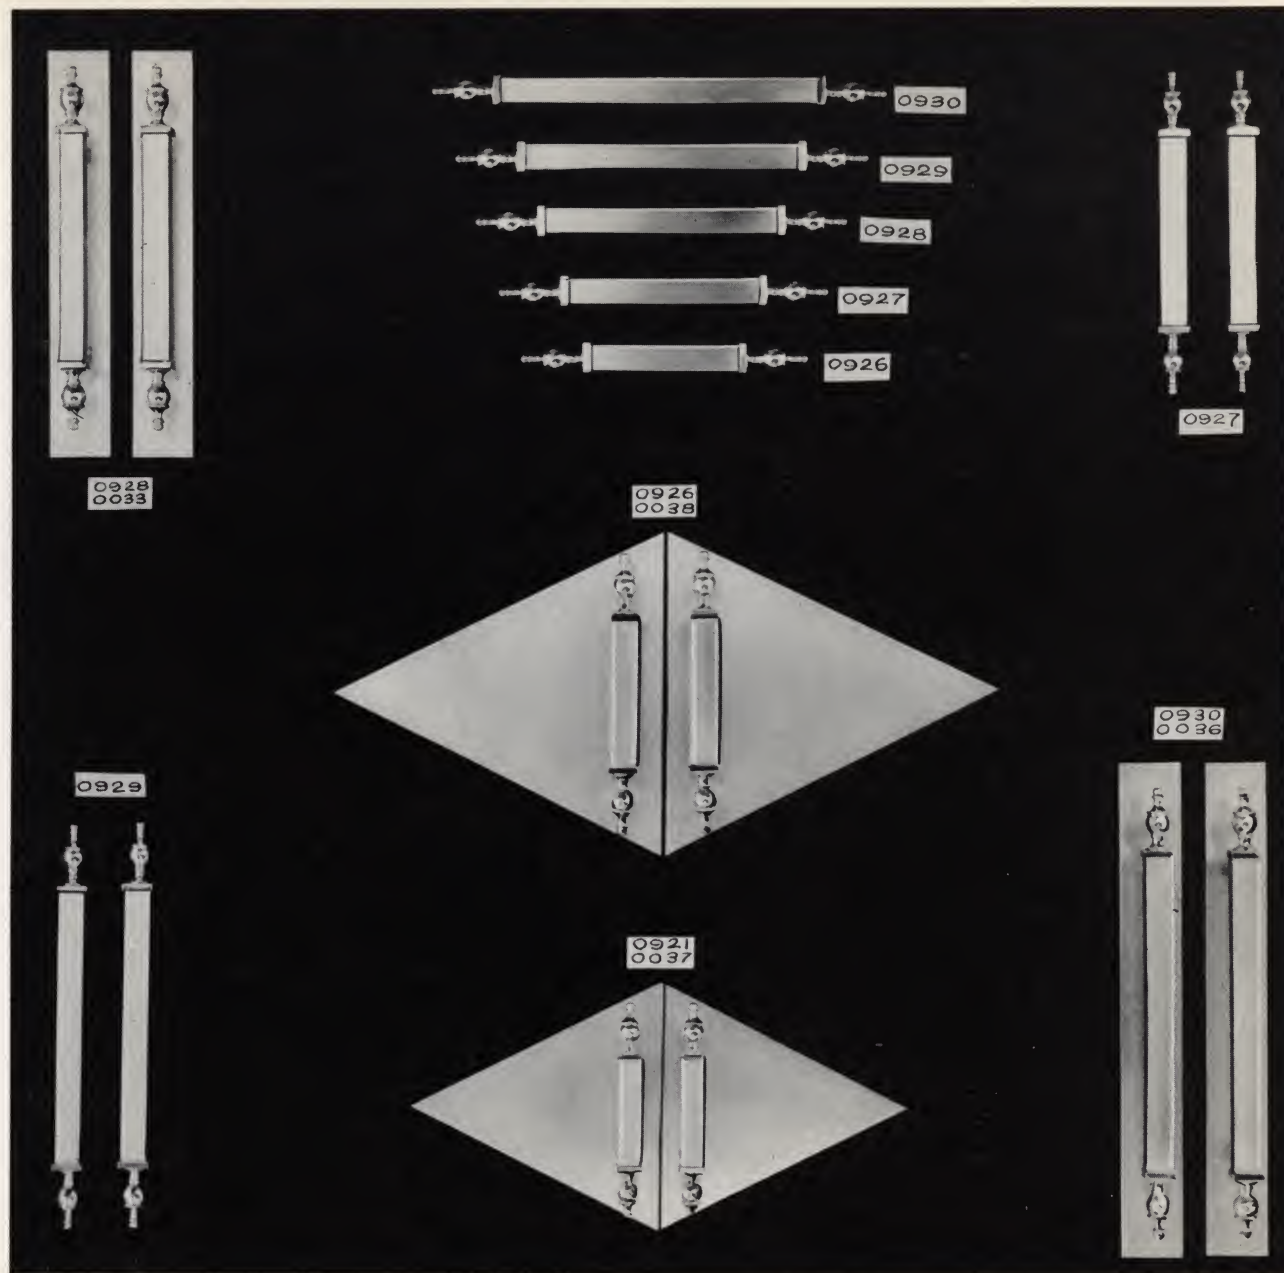

# FURNITURE HARDWARE

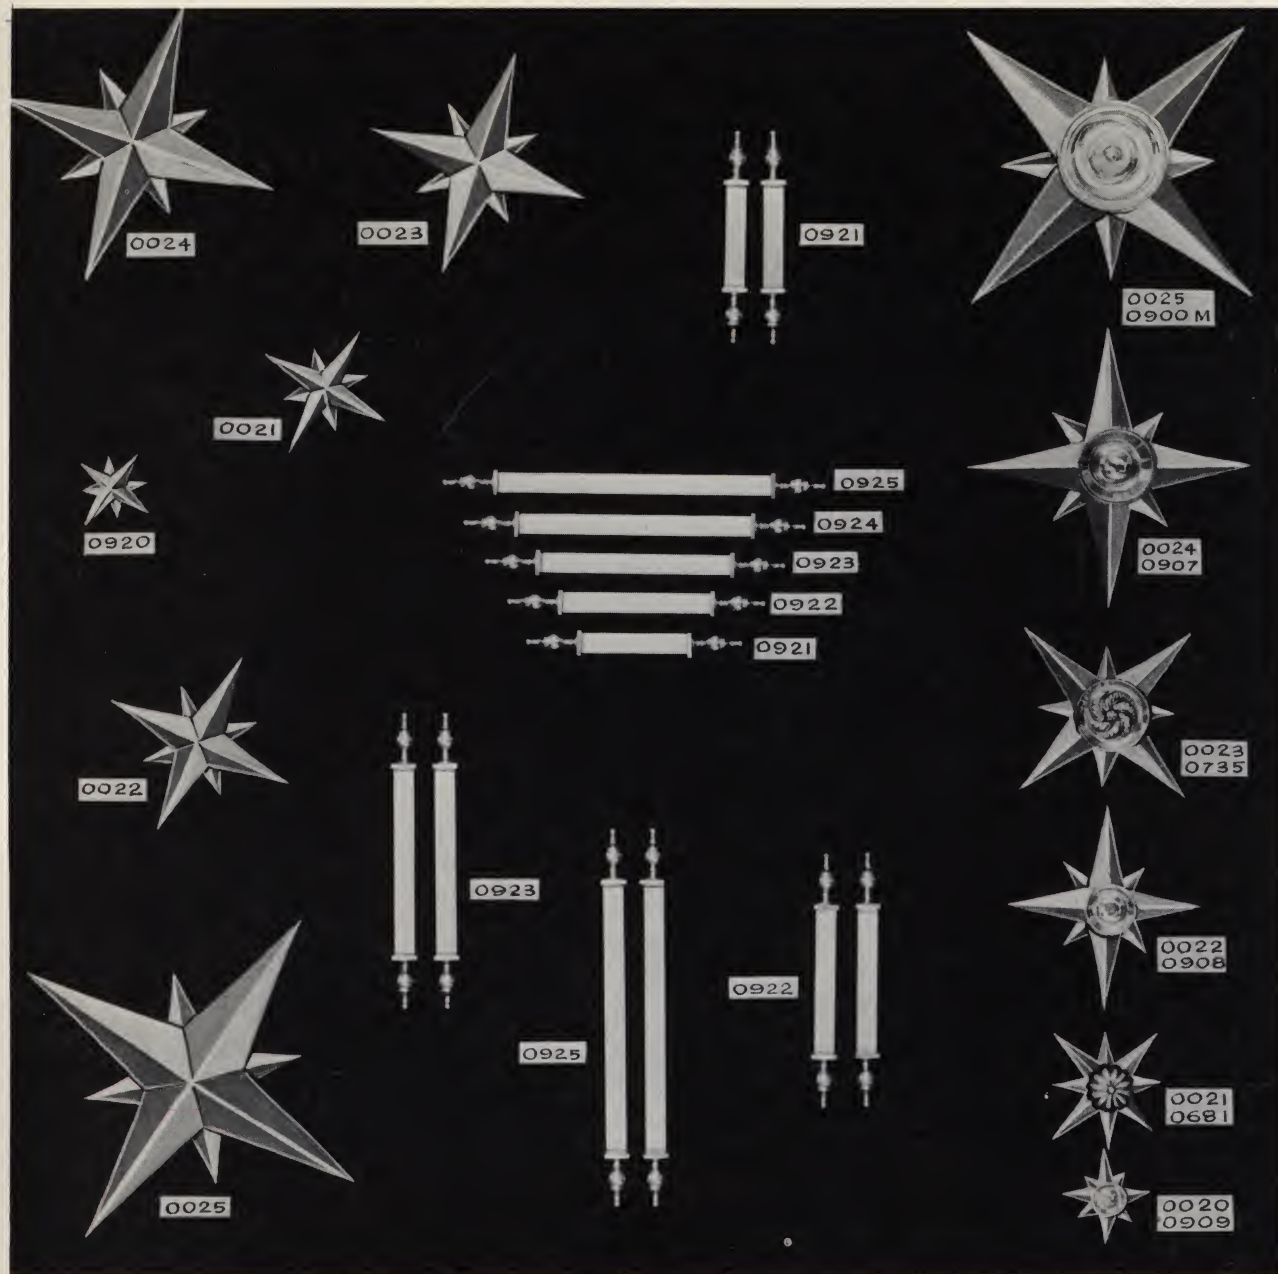

These pieces may be used on modern  
and Far Eastern furniture.

# FURNITURE and DOOR HARDWARE

The back plates shown come in various sizes to match the bar pulls shown. (See our price list for the corresponding sizes of plates and bar pulls.)

# FURNITURE and DOOR HARDWARE

The bar pulls shown here may also be obtained with plates, numbers 0027 to 0031 inclusive.

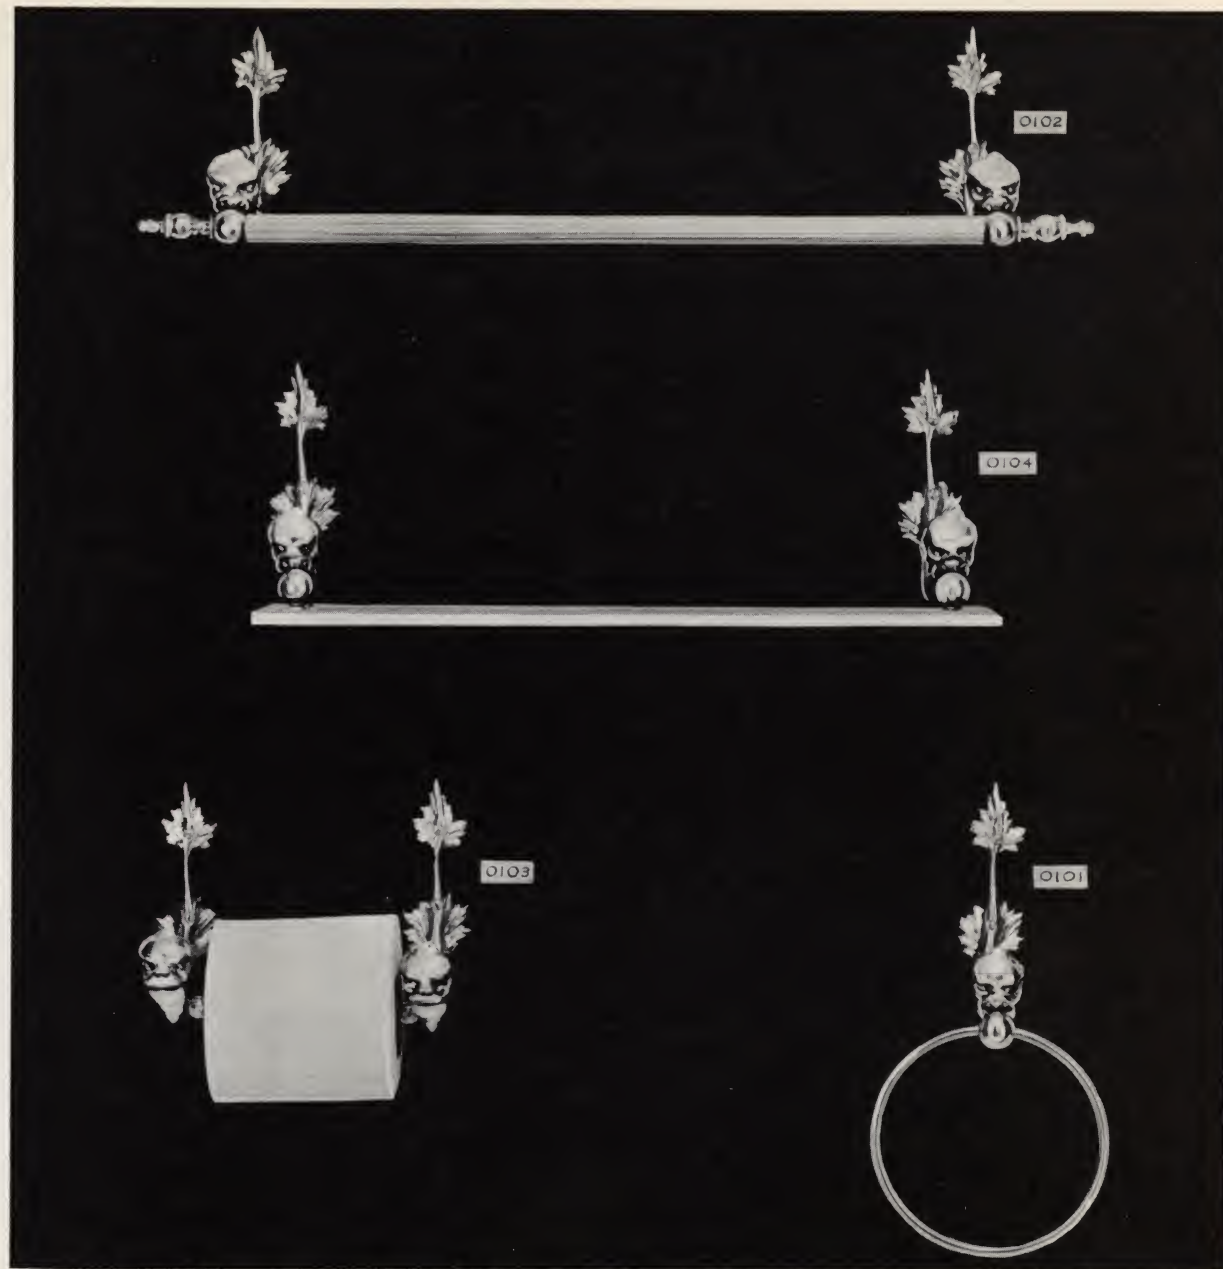

The stars may be used either as back plates or decor on interior doors or cabinets.

# BATHROOM ACCESSORIES

The bathroom accessories shown may be obtained in white or black Carrara or clear glass.

The towel bars may be had in plain or reeded tubing.

These bathroom towel bars and shelves may also be obtained in special sizes, at a slight additional charge.

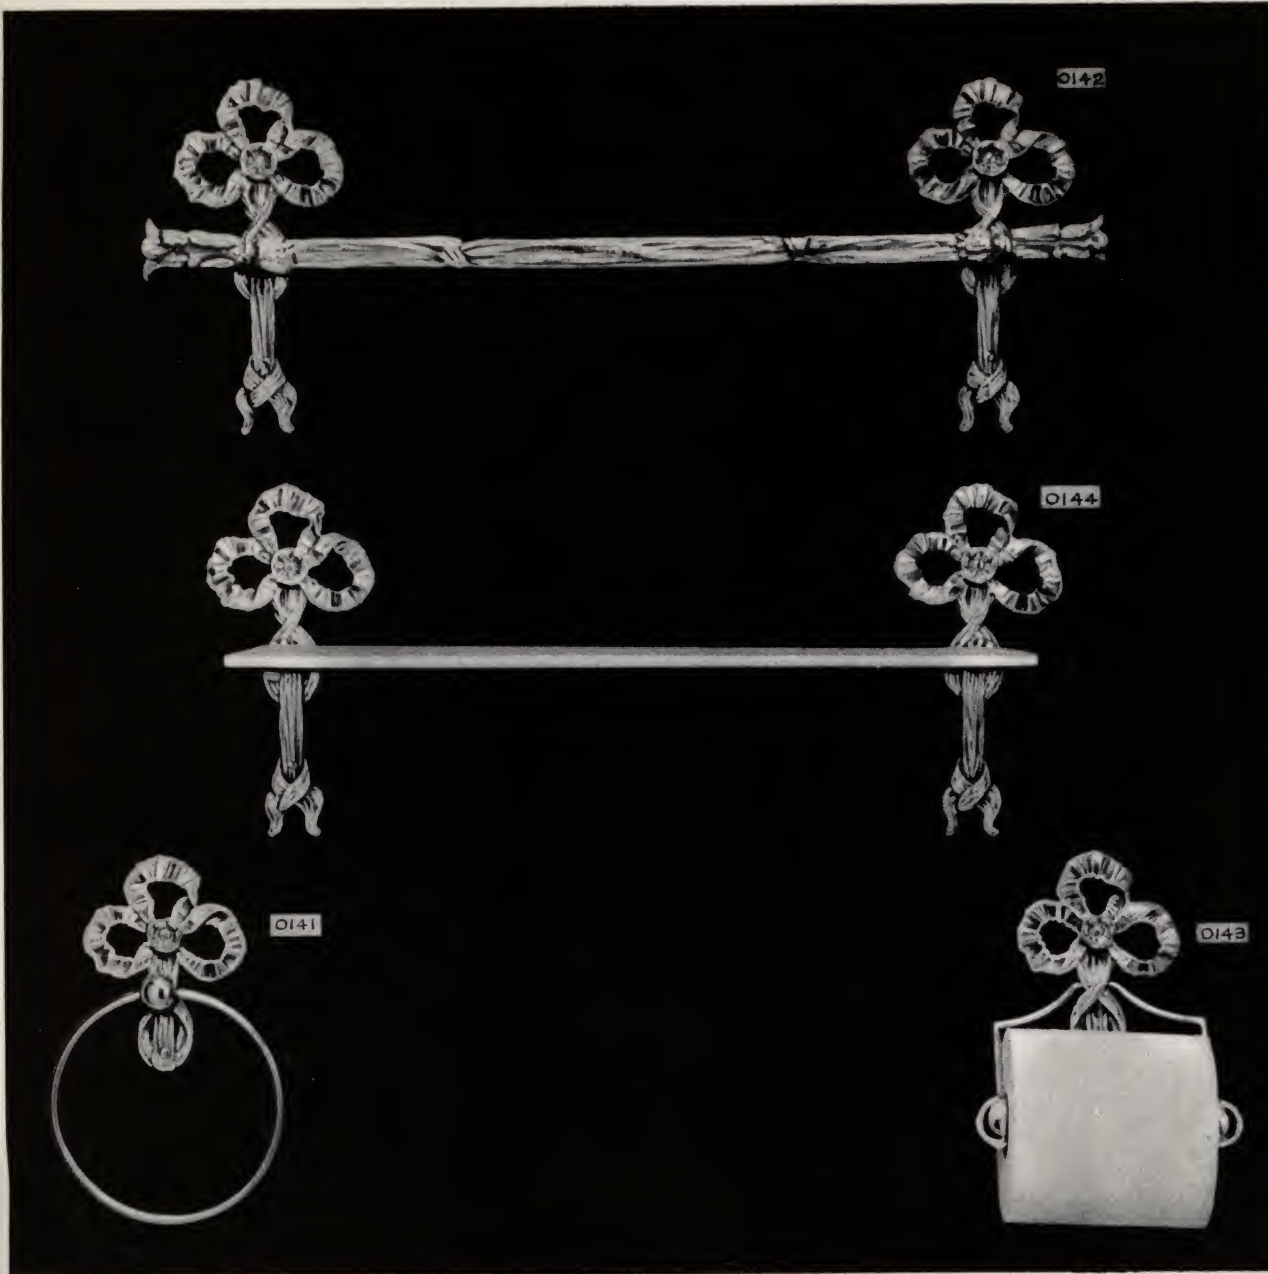

# BATHROOM ACCESSORIES

The bathroom accessories shown may be obtained in white or black Carrara or clear glass.

The towel bars may be had in plain or reeded tubing.

These bathroom towel bars and shelves may also be obtained in special sizes, at a slight additional charge.

Since our last folder, for your convenience, we have added many dealers and distributors throughout the United States and Canada.

These firms are of the highest caliber, and are well qualified to help you with all your needs as they have architectural hardware consultants on their staffs. These people have been trained as specialists in their field by the National Builders' Hardware Association.

If you require, these trained men will be

able to give you a complete schedule on all your hardware needs: installation of new hardware during the building of new homes, refurbishing builders' hardware in existing homes, decorating and redecorating of stores, offices, showrooms, etc.

To serve you better, our list of dealers and distributors continues to grow.

For your convenience, we would be most happy to refer you to our representative nearest you.

New York 21, N. Y.  
LEhigh 5-0081

All prices herein contained are  
F.O.B. factory.

## **GENERAL INFORMATION**

### **PRICES:**

All material sold subject to prices in effect at time of shipment.

All prices are subject to change without notice.

### **SHIPMENTS:**

Our responsibility ceases as soon as goods are delivered in good order to the carrier. However, we will render every assistance wherever necessary to aid you in establishing a just claim.

### **RETURNS:**

No returns accepted without our written permission. Special material and material fabricated or cut to order will not be accepted for return.

We will not accept the return of any merchandise that is not in first class stock condition.

We reserve the right to charge 25% for the handling of returned merchandise.

### **CLAIMS:**

All claims must be filed within 5 days from date of receipt of merchandise.

### **PACKAGE QUANTITIES:**

Package quantities do not apply to consumers.

### **FINISHES:**

Our hardware comes in a highly hand-polished and lacquered finish. If requested, at a slight additional charge, we can furnish as follows: satin brass, light English antique, dark antique raised surfaces highly polished, and imitation gold.

### **HOW TO ORDER**

#### **(To Minimize Errors):**

Please refer to the hardware wanted by using our stock number and description. Also mark "L" (left) or "R" (right) where necessary. If you want a lever or knob fixed or frozen into position (non-functional) for use on a door with no latching or locking device, please place the letter "F" after our stock number; example, 0604F (Left Pigtail on Plate).
